* Continue on Next Page for Additional Projects ANTICIPATED ASBESTOS REMOVAL PROJECTS FOR NEXT QUARTER: We anticipate the usual small scale jobs that											
come up when contractors encounter PACMs/ACMs and need support in abating the area they plan to impact. We also anticipate											
typical tears and damage to ACMs that require our cleanup and/or abatement.											
g productions and damage to 120143 that require our escaping and/or abatement.											
I do hereby certify that the information contained in this Quarterly Report and supplemental data described herein is to the best of my knowledge, accurate and complete. Agency Use Only
